Expressions of Interest requested - IGNITE MNC Symposium Host Community

The first IGNITE MNC Symposium was held in November 2017 in the community of Bowraville. The sold out event was attended by over 200 delegates and featured over 30 exhibitors, 15 speakers and special guest Todd Sampson.

One of the principles of the IGNITE MNC Symposium is to support small communities in the Mid North Coast. The Bowraville event generated revenue for local businesses throughout the community on Symposium day and beyond as people returned to visit the village afterwards. IGNITE MNC also conducts a satellite business information section as a component of the broader Symposium which can also be accessed for free by general community (a great way to support and develop business in the host community).

RDAMNC is calling for expressions of interest to host our 2018 event.

The event will be held on Wednesday 7 November during the day and there will be smaller staff events the day prior.

To express interest on behalf of your community, please complete the following form and return along with any supporting documentation (which may include letters of support, video, or a written proposal) that you believe will strengthen your application.

We want to know why you love your community and convince us that your community is the best location for IGNITE MNC 2018.

Applications should be addressed to:

Jenni Kew
Chief Operations Officer
PO Box 2537
Port Macquarie 2444

Applications close at **5:05pm on Friday 18 May 2018**

For any questions about the EOI please contact Jenni via 5525 1500 or email operations@rdamnc.org.au
