## Norfolk Island Food Supply...we need your help.

10 April 2025

### Please tell us what you think of Norfolk Island's food supply

Regional Development Australia Mid North Coast (RDAMNC) invites you to contribute to a project aiming to gain the community's input on the current food supply on Norfolk Island.

This important work will provide a clearer picture of the issues relating to food supply across a range of areas within the local food system. It will assist RDRAMNC to champion the food security needs of the Island in the future. RDRAMNC are offering the opportunity to win one of five \$100 gift cards for completing the survey.

The survey can be found in this newspaper, or you can complete it online through this QR code

Or by going to this website: <https://www.surveymonkey.com/r/NIFood>

Paper copies of the survey can also be found at Foodland. There is a box there also for you to leave your completed survey.

If you have any questions or would like to provide some more information, please contact Karen Innes-Walker on 53969 or email: [kareninneswalker@gmail.com](mailto:kareninneswalker@gmail.com)
